

# MARTINA DIMITROV

## UX / UI design

I wanted to design since I was little, and my first design passion grew with designing clothes. Now that I've grown, I am creating and improving user-centered products that also meet the requirements of organizations applying the end-to-end UX/UI process and methodologies. The best ideas always come to me after I relax with yoga.

### MY SKILLS

|                   |           |
|-------------------|-----------|
| Figma             | ● ● ● ● ● |
| XD                | ● ● ● ● ● |
| InDesign          | ● ● ● ● ● |
| InVision          | ● ● ● ● ● |
| Photoshop         | ● ● ● ● ● |
| Adobe Illustrator | ● ● ● ● ● |
| CSS/HTML          | ● ● ● ● ● |
| Javascript        | ● ● ● ● ● |
| WordPress         | ● ● ● ● ● |

### HOBBIES

🏃 Running

🎵 Music & dance

🧘 Yoga

### WORK PROJECTS

- 2020-2021 ● **UX/UI DESIGN** at Brainster      Skopje, Macedonia
- Designed various applications and websites as part of the Academy's real project program with Brainster's coinnovation partners, in which we did research, analysis, problem-solving, from lo to hi-fi prototyping and brought the experience closer to a user with no understanding of what they need to delightful products that ensure adoption and seamless experience. Also did interface design, information architecture, and visual design to build a final unique product.

### WORK EXPERIENCE

- 2019-2020 ● **YOGA INSTRUCTOR AND ASSISTANT** at Dr.Goodnight      Skopje, Macedonia
- I was teaching yoga classes for pregnant women. Work on administrative and financial activities, running and maintaining social networks, working with clients and associates.
- 2017-2019 ● **TECHNICAL SUPPORT** at A1 telecommunication      Skopje, Macedonia
- Providing information and solving problems for fixed service of legal entities and individuals, working under difficult situations and short deadlines, daily monitoring of new information, operation of multiple systems.
- 2016-2017 ● **CUSTOMER SERVICE** at A1 telecommunication      Skopje, Macedonia
- Old job at the time of merging three large companies, quickly adapting and getting to know multiple systems and a large number of different users. Daily updating of data for mobile and fixed service, provision of information for physical and legal users, operation of multiple systems, active communication on headphones and e-mail ...

### EDUCATION

- 2020-2021 ● **UX/UI design** at Brainster      Skopje, Macedonia
